

Discussing Lawrence Federal Credit Union affairs are, left to right, officers Ray Dean, Margaret Vereen, Thomas Hendricks, Jean Cross, and Lucille Thomas.

LAWRENCE FEDERAL CREDIT UNION REPORTS ANOTHER SUCCESSFUL YEAR

The Lawrence Federal Credit Union has done it again! There were many new members, more loan and share accounts, and substantial gain in assets during the past year. Thomas A. Hendricks, President, will report the good news to members when he invites them to the annual membership meeting on Thursday, February 25.

For 1969, the shareholder's dividend was four percent; for 1970, it is five percent, a nice increase. Before this year, only personal loans could be made; the first auto loan was issued this month--an important step forward.

Many people besides the members deserve praise for all this growth, the present officers, which make up the Board of Directors, and the

Credit Committee. 1970-71 officers are Thomas A. Hendricks, President; Alicia Gottlieb, Vice President; Margaret Vereen, Secretary; Jean Cross, Treasurer; Raymond Dean, Assistant Treasurer. Lucille Thomas is serving as Chairman of Consumer Education.

"Altan" Hendricks, who has shown fine leadership during his term, has lived in Eggerts Crossing for three decades. He and his wife Edie, a community worker, have six children. A heavy equipment operator and contractor, Altan is directing a family effort to complete construction of a new home next to their present one.

According to the President, "The Board of Directors have been faithful in attending their regular monthly meetings and special meetings.
